

# Our Charter of Commitment for Children and Young People

## Our promises to you...

### Respect

We will always show respect to everyone, no matter where they come from or who they are. We want everyone to feel valued, included, and welcome.

### Inform

We will make sure everyone has the information they need to understand and make choices ensuring your rights are upheld.

### Give you a voice

We will make sure you have a chance to share your thoughts and feelings, just like the United Nations Convention on the Rights of the Child Article 13 states.

### Help

We will always be here to help you when you need it. Just like the United Nations Convention on the Rights of the Child says, everyone deserves support, and we're here to make sure you feel safe and cared for.

### Trust

We will always trust you and believe in your ability to make decisions. You have the right to be heard and trusted, and we're here to support you every step of the way.

### Safety

We will make sure you are safe and protected. You have the right to feel safe and cared for, and we are here to keep you safe and support you.
